Dear

Thank you so much for contacting Youth & Family Services about your interest in providing treatment foster parent (TFP) care to our youth in your home. Prior to meeting with us, please complete the application packet and return the documents ASAP – especially the criminal background check forms (OYA & DHS) and the fingerprints.

I would then appreciate you contacting me to let me know if you are interested in continuing the process to be certified as a TFP home or if you have chosen not to enter into the process at this time.

I wish to set up a personal visit with you and answer any additional questions, but please do not hesitate to contact me at the agency.

Sincerely,

Tena Northern
TFP Recruiter
